

In Vitro Fertilization

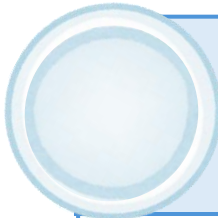

Cycle ICSI/IVF

Clinique des Grangettes	3'900.00
Clinique de la Plaine	4'020.00
Clinique Générale Beaulieu	4'020.00

Fee ROV	+500.00
Fee Weekend/Public holiday	+250.00

Included : (1), (2), (4).
Additional operating room fee – between 1'300.00 and 1'430.00 according to the clinic.

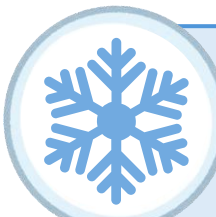

Oocyte vitrification

Clinique des Grangettes	2'530.00
Clinique de la Plaine	2'650.00
Clinique Générale Beaulieu	2'650.00

Fee Weekend/Public holiday	+250.00
----------------------------	---------

Included : (3), (4).
Additional operating room fee – between 1'300.00 and 1'430.00 according to the clinic.

- (1) Prolonged in vitro culture
(2) Embryo(s) vitrification
(3) Oocyte(s) vitrification
(4) 1st year of storage (subsequently billed at 260,00/year)
(5) Embryo(s) devitrification
(6) Oocyte(s) devitrification
(7) Embryo(s) transfer

FROZEN CYCLE

ROV with ICSI	3'520.00
Fee Weekend/Public holiday	+250.00

Included : (1), (2), (4), (6).

PGT-A/SR/M

Embryo biopsy	250.00/embryo
---------------	---------------

Embryo biopsy	350.00/ embryo
(with embryo devitrification on performed the same day)	

Fee Weekend/Public holiday	+50.00/ embryo
----------------------------	----------------

Included : (2), (4).

The genetic analysis is billed separately by GeneSupport – ≈ 300.00/embryo.

EMBRYO TRANSFERT

Fresh embryo transfer	550.00
Fee Weekend/Public holiday	+100.00

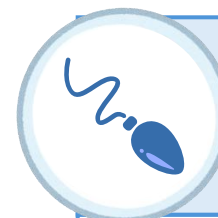

Included : (7).

Frozen embryo transfer	880.00
Fee Weekend/Public holiday	+100.00

Included : (5), (7).

Reimbursements ranging from 30 to 35% can be applied to the in vitro fertilization procedures.

Andrology

THERAPEUTIC ANDROLOGY

Sperm preparation for IUI	199.10
Fee Weekend/Public holiday	+80.00

Sperm cryopreservation	509.40
------------------------	--------

Included : (4).

Testicular biopsy	1'100.00
Transport fee if performed outside Clinique des Grangettes	+120.00

Included (4). If no freezing : reimbursement of 509.40

Sperm thawing	212.00
---------------	--------

SpermMobil Medium	250.00
In case of difficult sperm	

ZyMot	160.00
-------	--------

DIAGNOSTIC ANDROLOGY

Spermogram (Semen analysis)	243.00
-----------------------------	--------

TMS (Sperm migration and survival test)	550.80
---	--------

Post-vasectomy semen analysis	50.40
-------------------------------	-------

Post-coital test (TPC)	87.30
------------------------	-------

Seminal plasma biochemistry *	183.30
-------------------------------	--------

Bacterial semen culture *	
Simple	≈ 330.00
Complete	≈ 430.00

Sperm DNA fragmentation analysis*	230.00
-----------------------------------	--------

Sperm FISH analysis *	≈ 750.00
-----------------------	----------

* These analyses are carried out and invoiced by our partner laboratories.
